Why do you attend mass?

St. Mary's is a very unique parish...from young children, to young adults, to the Hispanic community, to resident parishioners... everywhere you look there is an unmatched vibrancy and life here. Though service opportunities, community events, and spiritual development, St. Mary's will give you the tools you need to lead a more abundant life, and most importantly, help grow your personal relationship with Jesus. Quite simply; it is the place to be.
