Hobbies / Interests

I enjoy singing, programming, supporting Michigan athletics, trying new restaurants, and sampling beer from the hundreds of different breweries across the state of Michigan!

How has your faith grown during your time at SMSP?

First coming to SMSP in fairly formative years as a college undergrad has challenged the way I viewed the world. The focus on social justice and Ignatian spirituality improved the way I interact with others, added modes of prayer to my arsenal, and has overall helped me grow into a better person.
