4

Involvement at SMSP

Faith Sharing, ASB, Prayer Team, Eucharistic Minister, Intern Program, BPR

Hobbies / Interests

Cooking, playing ukulele and guitar, taking care of my herb garden, shopping at the farmers market, cancer research, and teaching younger undergrads

How has your faith grown during your time at SMSP?

SMSP has been a foundation of wholesome friendship for me and has allowed me to feel anchored. This foundation then allows me to go be a light to the rest of campus while knowing I have friends and mentors who understand my lifestyle. SMSP is my home away from home and a place I can exercise my gifts. I have become more confident in how loved and valuable I am to God's plan through my time at SMSP. I have learned to serve those who are both similar and different from me.
