Hobbies / Interests

Reading, camping, and running are some of my hobbies. One of my favorite places on campus is the Arboretum, and I enjoy spending time with my husband and our four children.

Why do you attend mass?

I came to SMSP as an undergraduate, stayed through graduate school, and fell in love with the community. As an alumna and resident parishioner, I'm grateful for the example of lived faith the college students provide, and want to help support our vibrant campus ministry program.
